3. Vernice Teh

INTRODUCTION

This project is a website for a cake shop named MOGU.

From beautifully handcrafted cakes to irresistible treats, every bite is made with care, creativity, and a touch of joy.

MOGU has the perfect cake for every moment.

KEY FEATURES

1.

Chocolate Delight

2.

Vanilla Dream

3.

Strawberry Bliss

STORY BEHIND MOGU

- This cake shop website is inspired by Baskin Robbins.
- At MOGU, our journey began with a simple love for baking and a dream to create more than just cakes-but edible happiness.
- “**MOGU**”, is inspired by our teammate who likes to eat mushrooms.

TARGETS

- 1.** We plan to create a Pinky Theme cake shop website and inspired by the hot trend balet core.
- 2.** The website is create to face all of the cakes lover with no age limit.
